

ARUDEM

Company
Profile

www.arudem.com

Who we are

Arudem was founded in 2019 to represent modern-day gaming in East Africa. We started as a gaming community, and have grown into a platform for innovation, with a focus on creative technologies.

Arudem combines creativity, technology, and community to cultivate meaningful innovations.

We are ~~“more than a gamer”~~ — we are creators at heart.

Our Focus

Gaming and Esports

Interactive Experiences & Game Development

High-Performance Hardware

Arudem Gaming is at the forefront of our efforts, creating opportunities for innovation and investment within the African gaming industry.

We are deeply committed to building community and inspiring the next generation of gamers through engaging content and our dedicated efforts in esports.

ARU creators

Powered by the creativity of our community, **Arudem Creators** reinvents interactive media by developing metaverse experiences for brands. And creating games for our community

origami.

Forged from the need for high-performance hardware, **Origami** masters custom Computer building to empower gamers, creators, and innovators with powerful, tailor-made computers
